SUBJECT: Fall 2019 MATH 234 Evaluation

You will find your complete TA evaluation results at aefis.wisc.edu. You will need to log in with your net ID and password. For your information:

The percentage of your students who agreed or strongly agreed with the statement "The instructor was an effective teacher" (question 13) is **90%**. This places you at the **48th** percentile of all TAs who taught a similar course this semester and at the **67th** percentile of all TAs teaching a mathematics course this semester.

CTAPP has read your teaching evaluations and instructor feedback. CTAPP has deemed your teaching to be **superior**. Congratulations!

Here are some selected student quotes CTAPP would like to highlight:

1. Best math TA I've had. Keep up the great work! 2. You can tell Michel is a great teacher. While some TAs try to explain the same thing in the same ways until students understand, Michel instantly comes up with new ideas that approach the concepts from different directions to help the students learn.

Here is feedback from your teaching observer/mentor:
